Below this is a search bar and a menu with options like PROGRAM, DIREKTE, NYHETER, SPORT, USA-VALG, DISTRIKT, NATUR, SUPER, and P3TV. A secondary menu lists various program genres such as Barn, Distrikt, Dokumentar, Drama, Fakta, Kultur, Livssyn, Mat, Musikk, Natur, Nyheter, På samisk, På tegnspråk, Sport, Underholdning, and Ung. The main content area features a video player for the program 'Newton - om lyd og stemme' with a play button and a progress bar. To the left of the video player is a detailed navigation tree for the 'Newton' series, including sub-sections for 'Mars 2009' and 'Newton - om lyd og stemme'. Below the video player, there are three featured program tiles: 'Himmelblå 4:8' (81,873 views), 'Himmelblå 5:8' (60,341 views), and 'E6 - en reise i nordmenns hverdag 8:8' (39,144 views). On the right side, there's an advertisement for 'nrk super' featuring a young girl, and a 'SISTE: NRK.NO' section with a small video thumbnail. The browser's taskbar at the bottom shows several open applications like Microsoft Office, Internet Explorer, and a calendar.
